I attest that I am applying to participate in this program with the intent to partake in American cultural activities and to interact with U.S. citizens. I also understand that failure to act in accordance with the intent of this cultural exchange program and/or to comply with the program rules and regulations could result in the withdrawal or termination of my J-1 visa status, which would require my immediate departure from the United States and return home.

I confirm that I reviewed the complete pricing information on the reverse side of this document and fully understood the costs of the program before paying the non-refundable deposit. I understand that because my wages may not be sufficient to cover all of my expenses, I should have access to additional personal funds throughout the duration of my participation in the program.

Except as specifically modified herein, the terms of the CIEE Work & Explore USA application I signed as a necessary part of the online application process remain in full force and effect
